Timeless Elegance, Proven Quality at Every Scale

Regardless of the size you choose, our commitment to quality remains unwavering. Each lodge, small or large, is a testament to superior craftsmanship, durable materials, and an unwavering dedication to creating homes that stand the test of time

Energy Efficiency, Eco-Friendly Living

Experience the luxury of energy efficiency. We keep you comfortable but do so with an eco-friendly touch. **Efficient insulation** means less reliance on external heating and cooling, making your home a haven for both comfort and responsible living.

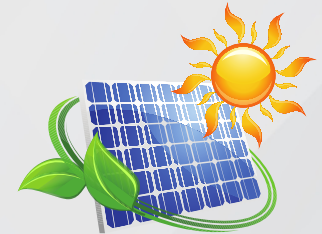

No More Energy Bills

Escape the grid and enter a realm of self-sufficiency designed to operate completely off-grid. Immerse yourself in the beauty of sustainable living, where every aspect of your home, from lighting to power, is powered by nature. Welcome to a life powered by **14 solar panels**, an **inverter**, and a robust **10 kWh battery storage**, giving you the freedom to live in harmony with the environment.

Illuminate Your World, Responsibility

Let the natural light in, and when the sun sets, let your lodge glow with energy-efficient lighting powered by the sun. Experience the beauty of a home that's not just illuminated but enlightened, where responsible living meets modern luxury.

Baltic Beauty, Global Responsibility

The timber that graces our lodges comes from the pristine landscapes of the Baltics. Immerse yourself in the beauty of responsibly managed forests, knowing that your dream home is a beacon of eco-conscious living. We believe in not just building homes but in preserving the very essence of nature.

Kiln-Dried Precision, Enduring Quality

To guarantee a long life in any weather, we subject our timber to a meticulous kiln-drying process. This not only removes moisture but prevents splitting, ensuring that your lodge stands strong against the test of time and elements. Embrace a life of comfort and durability with timber that's as resilient as it is beautiful.

Eco-Friendly Luxury, Redefined

Our lodges redefine luxury by harmonizing opulence with eco-friendliness. It's not just a home; it's a commitment to a lifestyle where your footprint is light, and your living experience is rich.

Choose your Kitchen Culinary Bliss, Your Way

Step into a kitchen designed for your culinary aspirations. Our lodges offer a spectrum of quality colors for your kitchen, allowing you to choose the palette that reflects your taste. From serene neutrals to bold statements, create a space where every meal is not just cooked but curated.

Choose your flooring

From the first step, make an impression with flooring that resonates with your personality. We offer a selection of quality colors for flooring, ensuring that every room is grounded in a palette that complements your style. Whether it's the warmth of wood or the sophistication of stone, the choice is yours.

Bathrooms as Unique as You

Unwind in a bathroom that's a reflection of your personal style. With a choice of quality colors, our lodges allow you to design bathrooms that range from spa-like serenity to vibrant energizers. Your daily rituals become moments of indulgence in a space tailored to your preferences.

Doors & Windows

Insulated glass (IG), more commonly known as **double glazing** (or **double-pane glass**), consists of two or more glass window panes separated by a vacuum or gas-filled space to reduce heat transfer across a part of the building envelope. We carry residential and commercial insulated glass, that are sometimes called thermo panes.
